Q: Where does it tell me exactly what I can and cannot claim for?

A: Our easy reference Benefit Rules within the full Westfield Flex plan guide tells you everything about what you can and cannot claim for under each healthcare benefit.

Q: Can I only claim if I am ill?

A: You don't have to be ill to be able to claim. Your plan is here to help you maintain good health – taking regular health checks or treatment. We provide you with the means to seek early diagnosis and treatment of health conditions before they get any worse.

Q: How do I make a claim?

A: Claims can be made online for all benefits. First you must register for 'My Westfield' on [westfieldhealth.com/my-westfield](https://westfieldhealth.com/my-westfield). You must submit your claim within 26 weeks from the date you make each payment for treatment, goods or services. If they're included in your cover, the 26 weeks start from the date you were discharged as an in-patient, or the date you attended for day surgery.

We aim to process your online claims within two working days and will then arrange payment directly into your bank account. Paper claims are normally processed within four working days.

Q: Is there a qualifying period before I can make a claim?

A: No, you will be able to make a claim immediately from the date of your registration, with the exception of Maternity/Paternity/Adoption benefit (which is subject to a 10 month qualifying period).

Q: Do I have to declare any medical conditions I already have?

A: No, all pre-existing medical conditions are covered for you, the employee and everyone included on your policy (except for Personal Accident cover).

Q: Can I go to any Practitioner for treatment?

A: In order to help protect the interests of our policyholders, we do require that you receive diagnosis or treatment from a fully qualified GP, Consultant or Practitioner who is registered with, or a member of, the relevant professional body as specified in your plan guide.

Q: How do I access the Scanning Service?
